

## Crafters Retreat Center

Calling all crafters! Gather your friends and bring your quilting, scrapbooking, beading, or whatever your artistic passion and plan to enjoy your next crafting event with us! You bring your supplies, we provide the retreat space where you can have fun, and enjoy time with friends and family. The retreat accommodates up to seven crafters and can be reserved on a first come, first serve basis. In our dedicated crafting area, each crafter will have an L-shaped work station with 6' and 4' tables, a task light, plenty of electrical plugs, a trash can, and an ergonomic rolling task chair.

Guests can stay for the day, or spend the night in our comfortable rooms. There are 7 twin beds, 3 bedrooms and 2 baths. The house is fully furnished and stocked with basic needs. No meals will be provided but guests will have access to the fully equipped kitchen and there are some great places to eat near by. Please visit our website to learn more about Katydid's Retreat Center!
